The Universities' Mission to Central Africa Monthly Magazine. From the Archives of the United Society for the Propagation of the Gospel, now held at Rhodes House Library, Oxford. Introduction by Dr. R.G. Stuart, University Of Toronto, Canada. This was written by (and for) educated, articulate and tolerant representatives of the British middle and professional classes which provided both the Society's membership and a significant proportion of its support. Although not entirely free of subjectivity, especially in relation to slavery and colonial rule, those who wrote in Central Africa generally showed great comprehension and sympathy in their accounts of African societies:
